

POSITION: SENIOR ENGINEERING TECHNICIAN FOR CODE 254 (CVN 68 OR LHD CLASS) GENERAL ARRANGEMENTS AT NORFOLK NAVAL SHIPYARD, PORTSMOUTH, VA (NNSY)

(PLEASE SEND RESUMES TO JOBS@MSCORP.NET)

Location: Portsmouth, VA

Job Status: Full-time

Required Experience:

CVN 68 or LHD Class General Arrangements – Code 254: The Candidate shall provide full time engineering support to provide design services for General Arrangements which includes hull outfitting, habitability and stowage. This code is responsible for all berthing, sanitary and other living spaces, all galleys, mess decks and other food service spaces, all workshops, offices, storerooms and magazines.

Minimum of ten (10) years practical design engineering experience in Hull arrangement types specified above, at a professional level, in responsible engineering duties, including the following which may have been gained concurrently.

Minimum of ten (10) years progressive design experience involving design and working plan development for construction, conversion or modernization of U.S. Naval Ships (does not include maritime ship design) in the specialty required herein.

Responsibilities & Duties

Provide design and engineering support of systems supported by NNSY Code 254 listed above. Develop from cradle to grave engineering drawings using AUTOCAD. Drawing must be technically complete and accurate and should be ready for issue with a minimum of Government review. All drawings shall conform and/or incorporate the IDEA Manual, ISID (Intelligent Ship Installation Drawing), GSO (General Specifications for Overhaul), NSTM (Naval Ship Technical Manuals), SCD (Ship Change Document), weight and moment calculations, space arrangements, shock requirements, damage control, safety and environmental considerations, all technical interfaces including system or component testing requirements.

Other Requirements:

Education: Candidate must be graduate of a high school, trade, or industrial school, or correspondence school where, as a minimum, credits were received in all of the following: algebra, plane geometry, trigonometry, drafting, and physics.

Travel: Local

Citizenship: Must be a U.S. Citizen.

Clearance: Current CONFIDENTIAL security clearance (or within last 2 years)

Benefits
