

December 2024

Position: Senior SSC/LCAC Planning Yard, Planner/Estimator

Location: Assault Craft Unit Five (ACU 5) Camp Pendleton North, CA (Full time)

Roles and Responsibilities

- Support PMS 317, J-Division Planning Yard Manager for Landing Craft Air Cushion (LCAC) and Ship-to-Shore Connector (SSC) availability planning and estimating. Support ACU 5 as On-Site Representative (OSR) for LCAC & SSC technical and availability planning and support.
- Perform Board of Inspection and Survey (INSURV) InfraRed (IR) thermal inspections (Level I certified) in support of Material Inspections (MI) and Acceptance Trials (AT).
- Perform LCAC Pre-Overhaul Test and Inspection (POT&I) in support of Enhanced-Service Life Extension Program (E-SLEP), Post Shakedown Availability (PSA), Fleet Modernization Plan (FMP) and Restricted Availabilities (RAV).
- Research, review, estimate and draft assigned availability Work Items utilizing various databases and programs not limited to Navy Maintenance Database (NMD) and Validation, Screening and Brokering (VSB).
- Responsible for the custody of Data Locker hard drives, issuance, upkeep, and updates.
- Utilize Integrated Data Environment (IDE) to submit and acquire various data to maintain and distribute as requested up-to-date technical data.
- Provide LCAC Planning Group with real time data to construct accurate work item development for major contracted availabilities.
- Publish and release INSURV IR inspection results on assigned craft for MI or AT findings.
- Perform POT&I inspections and collect data for availability work item formulation.
- Update and upkeep NMCI compatible data locker hard drives and stored data.
- Submit ACU 5 LCAC Corrosion Control Inspection data onto IDE.
- Submit redline corrections of drawings and/or technical manual discrepancies to the PY.
- Provide technical data to ACU 5, government OSRs, and/or contractors as requested.
- Support ACU5 command librarian with updating the command's technical library.
- Participate in meetings – LCAC Availability (weekly), Advance Planning Meeting (APM) (monthly), E-SLEP Quarterly Production Meeting (quarterly) and others as assigned.
- Aid the Planning Yard, ACU 5, OSRs and Southwest Regional Maintenance Center (SWRMC) as requested.
